

# PRODUCT INFORMATION

## Parts & Service

### CASING CLAMP

#### Advantages:

- Designed for the toughest uses
- High durability
- Particularly long-lasting
- Low-maintenance

#### Applications:

- To trap casings when dismantling the casing string

### Features

#### Wedge

- Special surface for optimal hold of casings
- A standard wedge for all diameters

#### Greatest possible contact area between wedge and casing

- Optimal transmission of force
- Protection of casing

#### Use possible across any diameter

- Nominal diameter +/- 20 mm  
e.g. retaining clamp 1,180 mm also suitable for 1,200 mm

#### Steel construction

- Enhanced construction
- Parking position for wedge facilitates transport
- Integrated lifting eyelets offset by 120°

#### Easy cleaning

- No pockets or basins for low accumulation of concrete
- Open design

### Standard dimensions

Ø (mm)
620
750
880
1,000
1,180

Other diameters available by request.
